

San Juan National Historic Site

Working with Puerto Rico

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

1 national parks

1,105,252 visitors to national parks (in 2010)

\$47,942,000 economic benefit from national park tourism (in 2009)

298 National Register of Historic Places listings

7,884 hours donated by volunteers (in 2010)

5 National Natural Landmarks

4 National Historic Landmarks

\$42,586,723 in Land & Water Conservation Fund grants (since 1965)

4,718 federal acres transferred for local parks and recreation (since 1948)
